

EXIT PASS

Help us learn about how your day went!
You don't need to write your name.

My educator noticed and worked to understand my experiences or perspectives:

YES

NO

Who my experiences mattered to today (Circle all that apply):

Teacher

Peers

Others (Who?)

My educator helped me to become more aware of racism, sexism, and other oppressions in STEM:

YES

NO

If yes, how was science connected to racism, sexism, or other oppressions?

My educator helped me think about ways to disrupt injustice (ex: racism, sexism) in STEM:

YES

NO

If yes, in what ways did you think about it?
